

Who are we?

Vandapower is a fast-growing company. It is a European market leader in the niche market of distributing components for industrial batteries. Our customers are both independent SMEs and multinational corporations. Through our operations in Oosterzele, Belgium, in the UK (Havant) and in US (Texas) we serve customers worldwide.

We strive to settle our leadership position in new markets and regions. This is made possible by combining our clear values, talented individuals, an agile organization and a strong focus on customer intimacy, market knowledge and service quality.
