

What will your job look like?

We are looking for a Supply Chain Planner, based in our headquarters in Erpe-Mere.

As the Supply Chain Planner, you are **passionate about distribution and logistics**. You are highly motivated to improve the **overall experience of customers** and maximize turnover.

Your **responsibilities** include:

- You manage the **outgoing goods flow and sales of products** within the deadlines imposed to maximize customer satisfaction and optimize turnover.
- Together with our suppliers you guarantee **optimal availability** of the products to keep our customers satisfied.
- You step in when **supply chain disturbances** occur to minimize the impact for the customer. You find solutions for shortages.
- You **prioritize** products and shipments and optimize delivery schedules.
- By nurturing a continuous improvement culture, you will identify and successfully **implement improvement projects**.
- You will develop the relevant KPIs and improve them by launching **effective supply chain initiatives**.

What is in it for you?

- ☺ International company, multicultural environment (free language training from our Italian, Spanish, German, Mandarin, French, Farsi, etc speaking colleagues)
- ☺ Net expenses
- ☺ Working from home (with a max of 2 days a week)
- ☺ Amazing colleagues
- ☺ Teambuilding every 6 months (BBQ, paintball, bowling, escape room, ..)
- ☺ Growth opportunities & personal development
- ☺ Close follow-up and mutual feedback
- ☺ Meal vouchers
- ☺ Lunchbreak walks outside or playing a game on the kicker table
- ☺ Free coffee (incredible coffee bean machine), tea, soda, water, ...
- ☺ 13th month
- ☺ Did we already mention the amazing colleagues?
- ☺ And most importantly: French fries Fridays!

Are you the right person?

You have solid **experience in planning and supply chain** which enables you to solve problems and make decisions in a challenging and ever-changing environment. You are fluent in **English**.

You have excellent **analytical** skills. You are able to take objective decisions by analyzing available information. You are a true Excel wizard.

You will build a **close working relationship** with all involved team members (in Belgium and worldwide).

Our values of **Straight Talk, Respect, Reliability, Drive to Excellence** are also your core values.

Not able to match all the boxes but feeling confident about being the **right person in the right place**? Great! Feel free to reach out. In a first talk we'll check if there is a **"click"**, as this is very important to us.

Who is Vandapower?

Vandapower is a fast-growing company. It is market leader in the niche market of distributing components for electric vehicles, industrial batteries and several other markets. Our customers are both independent SMEs and multinational corporations. Through our operations in Erpe-Mere, Belgium, in the UK (Havant) and in US (Texas) we serve customers worldwide.

We strive to settle our leadership position in new markets and regions. This is made possible by combining our clear values, talented individuals, an agile organization and a strong focus on customer intimacy, market knowledge and service quality.
